

src/project/header
/project.h

```
graph TD; A["src/project/header  
/project.h"] --> B[iostream];
```

A diagram illustrating a dependency. A gray rectangular box at the top contains the text "src/project/header" on the first line and "/project.h" on the second line. A thick blue arrow points vertically downwards from the bottom center of this box to the top center of a white rectangular box below it. The white box contains the text "iostream".
